MAP OF IRELAND. CIRCA 1794

A two-sheet engraved map of Ireland, published May 12th, 1794, by **Laurie & Whittle**, 53 Fleet Street, London, after the surveys of **John Rocque**.

Frames 27 x 41.5 inches each

Copperplate engraving on laid paper, the sheets delineating counties, towns, rivers, and coastal detail with an engraved allegorical cartouche to the upper section. Issued as part of

Laurie & Whittle’s late 18th-century atlas publications following their acquisition of earlier plates.
